CONGRESS ON VACATION

Legislators Leave for Their
Homes During Recess of
About Two Weeks

Washington, D. C.—(AP)—Developments here Wednesday pointed with increasing definiteness to American participation in the preliminary League of Nations disarmament discussions if a feasible way can be found.

Both Secretary Kellogg and Chairman Borah of the Senate foreign relations committee conferred with President Coolidge and there were indications that a decision virtually had been reached, although the American reply to the league invitation would not be forwarded until after the holidays.

Senator Borah said as he left the White House that he was in complete accord with the president's views, but he did not indicate definitely what those views were. In other quarters it was suggested that Congress probably would be asked to express its opinion on the subject, at least to the extent of making an appropriation to defray the expenses of an American delegation.

It was later explained at the White House that Senator Borah was called in to ascertain whether he believed an appropriation was needed to defray the expenses of American participation in the preliminary discussion and that Borah had expressed the opinion that an appropriation would be both necessary and appropriate.

Should the President decide to submit the question to Congress the final outcome would be delayed until after January congress being now in holiday recess.

Senator Lorou of Wisconsin told the president, however, that most senators favored acceptance of the invitation.

Senator Borah denied reports that he was under consideration as one of the members, should an American delegation be authorized to participate in the conference.

START VACATION

Congress began a 12-day vacation Wednesday closing a busy two weeks in which it laid much of the groundwork for a long and spirited session. Resuming deliberations on Jan. 4, both houses will have a number of major issues with which the grapple including taxes, the world court, disarmament, the rubber and coffee price situations, debt settlements and the various appropriations bills.

Working at top speed, the house has passed on to the senate the \$325,000,000 tax reduction bill and prepared for a vote on the treasury supply bill immediately after the reconvening.

It also adopted a resolution calling for investigation of alleged manipulation of crude rubber prices by the English colonial government and of monopolies of other commodities.

Busy as it was, the lower chamber took time to discuss prohibition at great length and from both sides, the drys predominating in the only vote on the subject. The vote came on a provision of the treasury bill which would appropriate \$250,000 for use by prohibition agents in procuring evidence.

PASSES ONE BILL

The senate passed only one major measure but it started several issues on their way to extended debate. It passed the administration bill creating a division of civilian aeronautics in the department of commerce, and enacted several minor measures in addition to confirming hundreds of nominations.

Consideration of proposed American adherence to the world court will be resumed in the senate after the holidays, while its finance committee will begin work on the tax bill. It is planned to finally pass the tax measure by March. The foreign debt settlements which met opposition in their first mention in the upper chamber, also are likely to engage attention when the tax bill is cleared away.

Both houses have concerned themselves with the disarmament question, each having received resolutions authorizing American participation in the preliminary sessions to be held at Geneva. The senate resolution, by Senator King, (Dem.) Utah, was laid aside at his own request while that in the house by Representative Fish (Rep.) New York and Moore (Dem.) Virginia, was referred to committee.

One Day Left To Raise \$1,500 For City's Poor

A good many years ago a philanthropist with a sense of humor observed that one cannot tell by looking at a frog how far he will jump. Neither can a person tell by looking at a person's income tax report how big a heart he has. In Appleton, at least, generosity is not measured by the size of the purse, if it were there would be no need for this appeal to obtain money for the relief of Appleton's own poor.

The records in the city hall show that there are well over 3,000 automobile owners in Appleton. That means there are at least that many people who have incomes sufficient to spare at least a little for the poor. But the great majority of these people are so engrossed in their own pleasures that they think only of themselves, forgetting the Christian duty they owe to the unfortunate. For charity is a duty, not a courtesy, and the obligation of helping those in distress is as much on the thin purse as on the full one. But this truism is lost with a great many Appleton people, judging from their response to the appeal of the poor.

The odium for this condition rests upon those who have failed to do their share. If there is suffering among the poor of Appleton this winter those who could give but wouldn't will be held responsible. Everything possible to interest Appleton people in the cry of the poor has been done. If the poor are left to suffer it will be the fault of those who would not permit their hearts to be touched by the appeal.

Tomorrow will be the last opportunity to be a Good Fellow to the poor this year. The club will close its roster at 5 o'clock and the final publication of Good Fellows' names will be on Saturday, Dec. 26. There still is plenty of opportunity to join the club and you may be assured that your help is needed. Every dollar that is given by the Good Fellows will be used to help the poor, not a cent of it is spent for any other purpose. The four cooperating societies require \$3,000 to carry on their work and thus far barely half of that amount has been subscribed. Almost \$1,500 will have to pour into the Good Fellow treasury on Thursday if Appleton is to discharge its duty to the poor.

CHARLES PERRY DECIDES TO RUN FOR GOVERNOR

Wauwatosa Assemblyman Is First to Throw Hat in Ring—Has Economy Platform.

Milwaukee — (AP) — Assemblyman Charles R. Perry of Wauwatosa, Wednesday formally announced his candidacy for governor of Wisconsin on the Republican ticket. He is the first candidate for the office to definitely declare a decision to enter the primary next year.

In announcing his candidacy, Mr. Perry said:

"I am convinced that the people of Wisconsin are ready for a program of economy in state government. This program of economy demands a retrenchment in state expenditures. It is entirely possible to have such economy without impairing efficiency in governmental affairs. If elected to the office of governor, I will concentrate my efforts in helping to bring this about."

"I favor a substantial reduction in taxes, believing that the burden is not equitably distributed. I favor sane legislation in regard to taxes."

Mr. Perry declared himself in favor of a more extensive program for conservation of natural resources and a new deal in the administration of state affairs.

Wire Ticks

New York — (AP) — Frieda Hempel from abroad has started training for the season's singing by emptying her purse of cigarettes. "Smoking is bad for women," she has concluded. "It is sometimes charming to see a woman handling a cigarette," she says, "but think what these charming people are doing for the next generation."

BIG STORM CRIPPLES PARIS WIRE SERVICE

Paris — (AP) — The tempest continues to howl in France, leaving death and destruction in its trail. Nine passengers were drowned in the Seine Tuesday night above Rouen when a ferry boat capsized. All the victims were workmen. The ferryman was the only person aboard the boat to be saved. Paris now is almost completely cut off by telegraph from the outside world.

As at wires except one are down, cable dispatches between the United States and Paris are being badly delayed. Owing to prostration of wires everywhere, it will be some time before the extent of the havoc wrought throughout the country is known.

As far as Paris concerned, more than a score of persons have been more or less seriously hurt by pieces of flying bricks and falling trees.

CHINA TURNS TO PIRACY ON SEAS, RIVERS

British Steamer Looted in Yellow Sea, Captain Shot and Crew Cowed

London — (AP) — China, already racked by internecine strife, is witnessing an increase in acts of piracy on the high seas and rivers reminiscent of olden days.

The latest act of piracy was when the British steamer Tungchow bound from Shanghai for Tientsin was seized in the Yellow Sea by Chinese boats as a steamer passengers. The pirates shot the vessel's British captain and crewed all others on board, including numerous foreign passengers by threats of death.

The ship's officers were compelled to put about and steer the steamer southward to Blas Rey, a notorious pirate resort, a short distance north of Hongkong. The Tungchow was looted on the 1,000-mile trip down the coast.

The Tungchow was seized Dec. 18 and was in the hands of the buccaniers for four days. They occupied the first class saloons all the way down the coast. Arriving in the Blas Rey, the pirates compelled the foreign passengers to remain in their cabins while small boats came alongside and took them and their loot ashore. The Tungchow then steamed for Hongkong.

The latest reports regarding the military operations east of Peking in the region of Tientsin are conflicting. One despatch asserts that the troops of General Fung Yung Hsiang, leader of the National People's army, have entered Tientsin after attacking the railway to Nankin.

Another despatch, however, asserts that the army of Li Chung Ling, governor of Chih, is in full retreat upon Tientsin. In the fighting the casualties on both sides are reported as heavy.

Up in the north forces of Marshal Chang Tso Lin, the Manchurian War Lord are reported to be still falling back before the troops of General Kuo Hsing Ling, at one time one of his strongest adherents.

3 TOTS ARE TRAMPLED TO DEATH IN YULE FETE

Eric, Pa. — (AP) — The joyful Christmas holiday has been suddenly turned into a period of grim tragedy in three Eric homes, where Wednesday mothers, fathers, brothers and sisters of three little lives, the death of a two of youthful yuletide celebrants who were crushed to death in a panic at a community tree observance here late Tuesday. Seven others were injured.

Five thousand children of grade school age had gathered in the Eric arena when suddenly the supports of a bench collapsed and with it came a crash and screams of several children who had been precipitated to the floor.

In an instant there was a panic—wailing shrieks of stricken cries and a mad dash for exits.

When the arena was finally cleared, the bodies of the three youngsters were found. The last spark of life trampled from them. The injured were rushed to a hospital, and Wednesday it was said all would probably recover.

FOUR MURDERS AND SUICIDE IN PISTOL FEUDS IN CHICAGO

Chicago — (AP) — Four murders and a suicide in a pre-Christmas outburst of gang feuds, pistol fights and robberies were under police investigation Wednesday.

War between liquor or beer faction War between liquor or beer factions was held responsible for the deaths of Joseph Brooks, soft drink parlor owner and alleged dynamite, and Edward Harming, county highway policeman. Their bullet riddled bodies were found slumped in the rear seat of a sedan, abandoned in a south side park.

Both were members of the Regan Colts, an athletic and social club, and Brooks was married a week ago. Two retired policemen, friends for years, quarreled in the lobby of the Central Trust company. In the business district. One shot and killed the other. Then as his old enemy fell, he was stricken with remorse, turned the pistol against his head and killed himself.

Caught in a cross fire between two robbers and the owner of a drug store, Leo Reil, 23, a drug clerk working his first day in the store, was shot to death.

ORDER DRY AGENTS NOT TO SPEND RECKLESSLY

Washington, D. C. — (AP) — Prohibition agents were warned Wednesday that "reckless, unjustifiable expenditures" during their work in the future would cause their dismissal from the enforcement service.

In a letter to prohibition administrators, prompted by the recent Mayflower hotel case in which two agents expended nearly \$1,000, Assistant Andrews of the treasury declared money for tracing down bootleggers must be used intelligently and economically and "never used without complete justification."

MAJOR OUSTS SAFETY EXPERT

Philadelphia, Pa. — (AP) — Mayor Kendrick Wednesday formally dismissed General Butler as director of public safety effective at noon.

The general received the letter of dismissal shortly after the mayor reached his office. It was delivered by the mayor's secretary. A group of friends were in the director's office as he read it quickly. "Well, I'm out," he explained. "The mayor has fired me. Now we can shoot at him."

Asked his plans the brigadier general who has seen fighting service all over the world said: "I'm going to my home in Overbrook. The marines can take care of me and I'd rather be in the Marine Corps than in 15,000,000 cities like Philadelphia."

The general said he would remain here for a few days, and added, "there may be something doing in that time."

The formal dismissal came as a result of the director's refusal to resign as requested by the mayor. The general earlier announced he would leave his office Wednesday on "under suspension" and that the mayor would have to fire him before he would quit.

VICE RING HEAD GOES TO PRISON

John Looney Convicted by Jury for Murder of Rock Island Saloonkeeper.

Galesburg, Ill. — (AP) — Convicted of manslaughter by a jury John Looney was sentenced Wednesday morning to serve 14 years in the state penitentiary for the killing of William Gabel, Rock Island saloonkeeper, in 1922.

The punishment was fixed by the jury at 14 years when Looney's age was found to be 58 years. The verdict came on the sixth ballot.

Looney was unmoved at the reading of the verdict. He sat as he has during most of the trial, staring stonily at the floor.

Gabel was shot and killed July 31, 1922 in what prosecution declared was a vice war in Rock Island. Looney, formerly owner of the Rock Island News, was alleged to have controlled a gambling and vice ring there. Trial was protracted by the introduction of hundreds of letters.

Indicted with Looney were eight of his associates including a woman seven of whom testified that they had operated saloons, gambling houses and houses of prostitution, paying tribute to Looney for the privilege.

Sees Exit Of Political Giant In Munsey Death

Democratic city, state and national organizations.

All this is predicated on the assumption that the New York Sun will be sold, which is far from a certainty. Mr. Munsey makes many others did consider the disposition of his properties after death and told the writer last September that he did not think it was a good thing to leave in an unsettled condition a newspaper property of the size of the Sun. From this it may be inferred that his will when made public will disclose that some of the men intimately identified with the Sun today will have a considerable voice in its future.

Ever since his espousal of the Bull Moose cause in 1912, he remained a staunch independent believing that the salvation of American party politics lay in a realignment of elements so that all conservatives would be grouped in one party and all radicals in another. He believed there was a happy mean between the extremes of conservatism and radicalism and when he spoke of a conservative party he really meant a liberal institution.

Mr. Munsey at one time was said to be anxious to become ambassador to Great Britain under President Harding but an earlier pledge to George Harvey is said to have prevented the consummation of his wish. It was not a deep-seated desire, however, so far as is known, because he kept referring to the opportunities for independence if detached from any Republican or Democratic administration.

About his two newspaper properties—the New York Sun and the Mail-Telegram—there has been for the last year an uncertainty due to the belief that Mr. Munsey wished to retire. He handled aside all such suggestions and is indeed known to have considered a possible purchase of the Chicago Daily News owned by the late Victor P. Lawson, which has been sold to Walter Strong, business manager.

It is an interesting coincidence that Mr. Munsey's death should come virtually at the same time that the announcement comes of the disposition of the Chicago Daily News. For in both instances there is a political background. Democrats of national prominence considered Mr. Munsey's death a victory for their political faith. Governor Smith of New York and other Democrats are known to have planned his acquisition so that Chicago would have a Democratic organ in place of the independent institution founded by Mr. Lawson. The same situation will doubtless develop in New York city where the Democrats would be happy to see the only out-and-out Republican newspaper of large circulation converted into a Democratic paper or at least one that is independent with tolerance for instead of opposition to the ideas of the

MUNSEY HAS NO HEIRS, FRIENDS MAY GET ESTATE

Only Near Relative of Bachelor Publisher Is Aged Sister in Florida.

New York — (AP) — The probable disposition of the large estate left by Frank A. Munsey, "editor and publisher, who died Tuesday, has aroused wide interest. His fortune is variously estimated at from \$20,000,000 to \$40,000,000 including his two newspapers in New York, The Sun, and The Telegram. He has no direct heirs.

Whether Mr. Munsey, like Victor P. Lawson, publisher of the Chicago Daily News, who died last August, has willed his large estate to friends, employees and institutions, as well as to relatives, is a subject of speculation.

Mr. Munsey, a bachelor, had no other immediate relatives than an older sister Mrs. John M. Hyde, of St. Petersburg, Fla. who was not called to his bedside during his illness on account of her age.

Funeral services for Mr. Munsey, will be held Thursday at the Cathedral of St. John the Divine.

Mr. Munsey's chief business interest was the Frank A. Munsey Publishing Co., capitalized at \$10,000,000. He was president of the company.

Although his rise from a farm boy in Maine to a leading editor and publisher was successful financially, a large part of his fortune resulted from investments in common stock of the United States Steel corporation.

FIELD MUSEUM GATHERS BADGER INDIAN RELICS

Chicago — (AP) — Collection of tribal relics and ceremonial articles of the Indians who participated in the stirring pioneer history of the middle-west has just been completed by the Field Museum of Natural History here and soon will be on display.

The Indian relics were obtained during the two research trips into the Indian reservation and settlements of Wisconsin, Kansas and Iowa by M. G. Chandler, Indian relic collector and a descendant of John Tillot, the "Indian apostle."

Mr. Chandler obtained hundreds of articles on the culture customs and ceremonials of the Menominee, Winnebago and Potawatamies and Sac and Fox tribes.

While with the Potawatamies in Wisconsin Mr. Chandler gathered several articles of the Medicine Lodge, including the warbona drum, a medicine lodge drum, quilled otter for the medicine lodge and medicine bags and slabs.

This collection gathered from the Menominee tribe includes a juggler's outfit which contains a loon head.

HOME DIETZ FOUGHT FOR IS TUMBLING IN

Superior — (AP) — The home which John Dietz, "hero of Cameron Dam" fought and killed to hold, while his daughter Myra, was seriously injured, is falling into decay.

Word to this effect has come from Ashland where it was brought by game warden W. T. Grey, who just returned from a visit to that county.

Dietz held the homestead, on the Thorn Apple River dam against the powers of the state of Wisconsin for three years.

Mr. Grey stated the place had been abandoned, and the house itself, in which Dietz and his family barricaded themselves in 1919 and held off a posse, has tumbled in.

SEVERAL ARE INJURED Falling Walls Entrap Fire Fighters in Burning Building

Bellaire, Ohio — (AP) — Fire belated to have started when a fall of coal short circuited electric lights lines, took a toll of nine lives at the Webb mine at Shadyside, a few miles south of here, Tuesday night. Two other miners are in a serious condition in a Bellaire hospital suffering from shock and gas.

Rescue parties early Wednesday had penetrated to all portions of the mine where the men were working when the fire started, and reported that no more men were in the mine. An unofficial check of the force known to be working corroborated this assertion. Early Wednesday the fire was burning fiercely, but little effort was made to check it until rescue work was complete. Company officials said the damage probably would be large before the fire is extinguished.

Only seventy-nine men of the normal force of more than 600 were at work at 6 o'clock Tuesday night when the fire was discovered. All made their escape except 11, who were trapped in one of the lower laterals. Rescue workers succeeded in reaching them before midnight and brought three survivors to the surface. One died, however, a few minutes later.

FIREMEN KILLED

Warren, Pa. — (AP) — Four volunteer firemen were killed and five others injured, two seriously, during a fire which swept the business district of Warrenburg early Wednesday. Several buildings were destroyed and a number of others damaged, the total loss being estimated at \$750,000. The firemen were crushed under a falling wall.

One man suffered fractures of the skull and jaw bones and another suffered an injury to his back. Three other men received cuts and bruises. All the injured, who were members of the Warrenburg fire company, were taken to a hospital.

The four victims were turning water into the hotel building when it wall collapsed trapping them in the debris. The injured firemen fighting the flames nearby had sufficient warning to make their escape from under the wall but were struck by bricks. The fire was discovered in a restaurant located in the hotel building. It quickly spread to the other structures. Guests in the hotel escaped but lost all their belongings.

DIXIE LAND PREPARES FOR WHITE CHRISTMAS

Atlanta, Ga. — (AP) — Dixie today was preparing to spend the kind of Christmas it often reads about but experiences only about once in a blue moon—a white Christmas. Snow flurries were reported at several points, while one or two told of heavy falls.

A variety of temperatures ranged from 14 degrees at Louisville to 55 degrees at Miami. Atlanta was believed to be the farthest southern point having a snowfall. There were slight flurries here early Tuesday. Snow at Louisville starting early Tuesday ceased about mid-afternoon. Various points in Kentucky reported a snowfall of from one to three inches.

There was no snow at Knoxville, but the temperature dropped to 15 at the same hour.

TUESDAY'S MAIL WAS BIGGEST IN CITY'S HISTORY

More than 82,000 Cards and Letters Sent Through Canceled Machine.

More outgoing mail was received at the Appleton postoffice Tuesday than on any single day in the city's history, according to William H. Zuehlke, postmaster. Exactly 82,093 letters and cards were run through the canceled machine, as compared with 68,852 on Dec. 22, 1924, which was the biggest day last year. Last year's mark also broke all existing records. The number of letters and cards sent through the canceled machine last Monday was 57,485.

In direct contrast, the volume of outgoing parcels showed a slight decrease in comparison with last year and years preceding that. Fewer parcels were mailed in 1924 than in 1923. This is due to the fact that more are mailed early, in the opinion of the postmaster.

Despite all the publicity given by the postoffice urging early mailing, the majority of people failed to get their letters and greeting cards in the mail any earlier this year, according to Mr. Zuehlke. This is proven by Tuesday's record mark. He said that if Christmas falls on the latter part of the week, people will not mail their letters the week before no matter how much publicity is given, as they do not like to have the mail reach its destination quite so early.

When Christmas falls earlier in the week, the bulk of mail is placed in the postoffice the preceding week. Although many extra clerks have been added to the regular force at the postoffice, it was almost impossible to handle all the mail Tuesday. Four men were kept busy stacking letters and cards for the canceled machine, and they worked until late Tuesday night. A number of the clerks remained until 3 and 4 o'clock Wednesday morning to clean up the work and make room for Wednesday's business.

The peak in the volume of outgoing mail probably was reached Tuesday, in the opinion of Mr. Zuehlke, although he expected another large day Wednesday. An increase in the amount of incoming mail was anticipated.

Preparations to handle Christmas mail were made by the railroads. An extra section was added to trains No. 121 and 102, and will not be taken off until after Christmas. Extra parlor coaches also were added to trains No. 205, 210 and 215.

Wisconsin Weather: Mostly cloudy tonight and Thursday; probably some snow and not so cold tonight; colder Thursday in west portion.

Weather Conditions: The high pressure area, or cold wave, has moved to the east and south this morning, with very low temperatures in the Gulf coast section. A low pressure area over the northern plains this morning and is expected to cause light snow in this section as it passes eastward across the northern Lake region tonight and Thursday. It would appear that another high pressure area is preparing to move southward from Manitoba, as the "low" passes, which would be favorable for mostly cloudy and colder weather in this section on Christmas Day, possibly with light snow flurries.

RELOCATE STATE ROAD TO REMOVE SHARP CURVES

Highway Department Will Start Relocation of Highway 54 Next Spring.

Preliminary work for relocating State Trunk Highway 54 between the village of Black Creek and New London has been underway for several months, and everything will be in readiness for starting actual work next spring, according to A. G. Brusewitz, county highway commissioner. Two years will be required to relocate the road.

The new route will run southwest from the village of Black Creek to New London, through the village of Shiocton, following as closely as possible the tracks of the Green Bay and Western railroad. A slight change will also be made in the route of the road northeast of the village of Black Creek where a second sharp curve will be straightened and the road will lead into the village a little south of the present route.

A survey of the land over which the road will be relocated has been completed and options on much of the property have been obtained. Options on practically every foot of land between Black Creek and Shiocton have been acquired, while a number of property owners between Shiocton and New London have not yet been approached.

In straightening the sharp curve at the second corner northeast of Black Creek, a 500 foot radius will be taken, according to Mr. Brusewitz.

Another big difficulty is at the point where the road intersects with the railroad tracks about 30 rods west of Black Creek. Instead of going over the tracks, the road will go underneath a tunnel. This work will take until Aug. 1. If the necessary funds are available at that time, work of grading the road west of Black Creek will be undertaken.

Mr. and Mrs. O. N. Zepherin left Wednesday for Beaver Dam where they will visit their daughter, Mrs. R. R. Roberts. Mr. Zepherin returned Tuesday from Pittsburg where he had been the last three months.

Prim Opens Cell Doors For Christmas Prisoners

If there are any prisoners in the police station on Christmas eve because of minor offenses, they will be freed to permit them to go to their homes to spend the evening with their families, according to Chief of Police George T. Prim. A promise to make their appearance in court the next day or at the appointed time will be expected, however.

"This has been an annual custom at this time of year and we have never lost a prisoner by this practice," said Chief Prim. "Prisoners usually appreciate the favor which is extended them and will go out of their way to be in court the following day at the exact time. Of course if a desperate criminal or a man accused of

a serious crime is behind the bars we cannot give him this privilege."

There was no one in the cell room Wednesday morning but of course it is impossible to tell when someone will be brought in, someone who will forfeit his right to spend this one evening of the year with his family.

It will not be at all unusual if the station will house one or two voluntary guests Christmas eve; in fact this is quite customary, according to Chief Prim. Tramps apply for admission almost every evening during the winter months, and the usual number probably will make their appearance on the evening of Dec. 24.

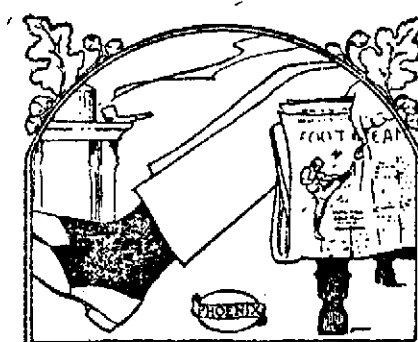

Italy had 700,000 visitors in 1923.

BEG PARDON

The accident in which Mrs. Erwin Burmaster, 1414 S. Jackson-st., and Mrs. Carl Lueders, 819 E. Winnebago-st., were injured last Sunday, happened at 12:30 in the afternoon instead of at 11:30 that evening, as was stated in the Post-Crescent Monday evening. Mrs. Burmaster was painfully injured and is at St. Wilza; both hospital, while Mrs. Lueders was badly shaken up. They were returning to Appleton with Mr. Burmaster and Mr. Lueders when their car skidded off the pavement on highway 47 about four miles north of here.

Speeder Pays Fine

Speeding 30 miles an hour on E. Pacific-st. Tuesday evening cost George Vanden Heuvel of Little Chute \$10 and costs Wednesday when he was arraigned in municipal court. He was arrested by Police Officer Carl Radtke.

ENGINEER FIRST ON PROGRAM FOR Y. M. C. A. FORUM

Invite Officials and Mechanical Experts of Valley Cities to Attend.

City officials of every city in the Fox river valley from Oshkosh to Green Bay and managers, foremen and engineers of every mill and manufacturing establishment between these cities will be invited to Appleton Wednesday, Jan. 6 to attend the first of the 1926 Industrial Forums of the Y. M. C. A. A problem of importance will be presented by Robert Cramer, well-known Milwaukee consulting engineer, who will speak on "Modern Methods of Sewage Disposal." Mr. Cramer is a mechanical engineer, specializing on power plants and municipal water, pumping, power and sewerage work. He is a member of the American Society of Mechanical Engineers and the American Society for Testing Materials. While in Kaukauna recently Mr. Cramer expressed desire to give a lecture illustrated with slides on the Milwaukee sewage disposal plant. He was requested to take charge of the first Forum meeting of the year and he agreed to come to this city for the lecture. In his reply to the local committee, Mr. Cramer stated that he intends to make his lecture cover a great deal more than merely a description of the Milwaukee plant and suggested the new title for his talk. Lantern slides will illustrate his points.

The meeting will be held at 7:45 in the evening at the Y. M. C. A. building and will be free of charge. Anybody interested in the subject will be invited to attend. The lecture will be particularly interesting to mill employees of the valley and a large crowd is expected from the entire district. City officials of some of the cities already have signified their intention of being present.

DOG LICENSES ALSO DUE JAN. 1

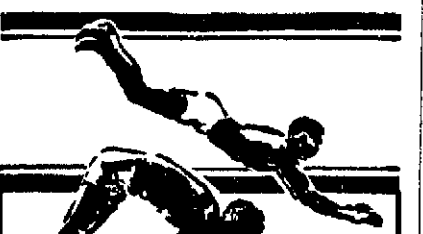

City Reminds That These Fees Are Payable During Tax Period.

Dog licenses for the year 1926 as well as general city taxes are due Jan. 1, according to announcement of F. E. Bachman, city treasurer. These payments may be made beginning on Monday, Dec. 28, at which time all tax collections start.

Routine work of arranging the records and receipts and preparation of income and personal tax statements is progressing rapidly and will be completed before Christmas day, from all indications.

Mr. Bachman again reminds taxpayers to bring their receipt of last year for property tax, as time and inconvenience will be saved in looking up the record of the amount due. Those who formerly used income tax as an offset on personal property tax, vice versa, do this this time. If a person has both forms of taxes, he must pay them both under the new state law.

The treasurer's office will be open from 9 to 12 in the morning and 1:15 to 4 o'clock in the afternoon. More than a million dollars is to be collected this year.

Love Of The Job Keeps Policemen In Their Work

Once a police officer, always a police officer. This may not apply in all instances, but is the rule rather than the exception, if the length of service of many officers of the Appleton police force can be taken as a criterion.

Chief of Police George T. Prim has served in the capacity of officer of the law for over 30 years. He entered the service with the Chicago police department April 2, 1888, and remained with the department for almost 25 years. After leaving the force, he followed other activities for a few years, reentering police work again when he came to Appleton.

Besides Chief Prim, there are five members of the Appleton department who have been police officers for 10 years or more. They are Capt. P. J. Vaughn, Sgt. Earl Vandebogart, Officer Albert P. Deltgen, Detective-sergeant John Duval and Sgt. James R. Moore.

That Appleton cops like their jobs, there can be little doubt. If they did not, they would seek other channels of activity. The same applies to other cities, where men fail to retire and take advantage of their pension after 15 or 20 years in the service. "What holds these men to their jobs? The security of the position and guarantee of pay every month? Perhaps. But that is not the chief reason."

It's the thrill of the work, as a patrolman never knows what is going to happen. The street that is calm and quiet now may be seething with humanity a moment later as a result of an accident, a robbery, a madman, or any number of causes.

When the signal sounds and the patrolman comes running to get the

message, he may expect anything. The call may only be about a stolen car, or it may be about an escaped murderer.

It's the thrill and adventure that has kept many a man as a policeman when he might have earned higher wages in another walk of life.

Appleton cops like their work for that reason, they say. Their job gives them a comfortable living and they are always on edge, waiting for something to happen. An that something usually happens, so they remain with the force.

The work isn't easy, for a patrolman at least, and at best it is bound to be dangerous. It means standing in the cold and heat, the snow and rain, and going into odd corners in search of odd persons, but it's exciting and adventuresome. That is why they are policemen.

TRADE SCHOOL CLOSES FOR HOLIDAY VACATION

Appleton vocational school will close for a 12 day Christmas vacation period Wednesday afternoon. Classes will be resumed Monday, Jan. 4. Most of the faculty members are planning to spend their vacations in Appleton, but there are a few who will visit friends and relatives in other cities. F. F. Martin will go with his family to Madison to visit relatives over the Christmas holidays. Mrs. Bertha Berry will spend Christmas in Houghton, Mich., and Miss Pansy Tsch will visit with her mother in Amarillo, Texas.

HASKIN SAYS THIS HONOR IS HIS BIGGEST

Frederic J. Haskin, and director of the Post-Crescent's information bureau in Washington, has been honored in a unique manner by an Arkansas family. Mr. Haskin, who writes about everything from religion to race horses, has received many honors in his varied and colorful life, but he probably never has had one so filled with affection and esteem as this is. He has been received privately by the Pope; he has been the guest of Maharajah of India; he has been entertained by the Emperor and Empress of Japan, and has received distinction in many ways, but we hazard the guess that of all his honors, the one given him by the Arkansas family is prized most highly. "We have named our boy for you, and hope that he will sometime be as great as you are. His name is Homer Haskin Mills," write Mr. and Mrs. J. H. Mills, of Morrilton, Arkansas.

COLDS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs. Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga. adv.

KAUKAUNA BUYS
FEW ARTIFICIAL
HOLIDAY TREESMore Natural Trees Sold in
Kaukauna This Year Than
Ever Before.

Kaukauna—Artificial Christmas trees are not very popular in Kaukauna, according to several local grocers who sell from 100 to 500 natural trees each year. "There are a few people who have artificial trees," said one grocer, "but for the most part, people prefer the regular Christmas tree because it seems to exemplify the spirit of the holiday season much better."

In large cities there are wholesale dealers in Christmas trees, according to one local grocer, but retailers in Kaukauna buy from the men who bring truckloads of the trees from northern Wisconsin. Trees this year range in price from 25 cents to \$1.50. The average price for trees is 50 cents.

Although there are more peddlers of Christmas trees this year than ever before, every dealer declared that his sale of trees this year has exceeded the sale of last year by from 50 to 100 trees. Most people buy their trees from a week to two weeks in advance of Christmas and in this way get their pick of choice lots. Shipments that come in just before Christmas are usually the trees that can be gathered in a hurry and rushed to the city for a last minute sale.

SMALL ATTENDANCE AT
FIRST STORY HOUR

Kaukauna—The first children's story hour at the Public Library last Saturday morning from 11 to 12 was not very well attended, according to Miss Bell, the librarian. A story hour is to be held each Saturday morning at this same hour, under Miss Lillian Meyer, who is assisting Miss Bell at the library during the absence of Miss Kelly, the regular assistant, who is in Ireland visiting her parents there. There will be no story hour this week as Miss Meyer is spending the holidays at her home.

KAUKAUNA STORES TO
CLOSE CHRISTMAS EVE

Kaukauna—All business places in the city of Kaukauna will close on Christmas eve, as was decided at a recent meeting of the Kaukauna Business Men's association. The stores have been remaining open every night during the past week to give the late shoppers a last minute chance.

EIMMERMANN FUNERAL
HELD TUESDAY MORNING

Kaukauna—The funeral of Mrs. Peter Eimmermann who died Saturday, was held Tuesday morning at Holy Cross church with the Rev. P. J. Lochman in charge. Honorary pallbearers were Mr. Fred Whitman, Mr. Peter Feller, Mrs. Thomas Murphy, Mrs. Charles Faust, Mrs. Arney Day, Georgeon, and Mrs. John Mickelberg Sr. Actual bearers were George Vander Heden, Peter Biese, Lester Coenen, John Biese and Abysius Biese. Burial was in Holy Cross cemetery.

HOCKEY PLAYERS GET
READY FOR SEASON

Kaukauna—Actual practice will start immediately after Christmas for the Kaukauna Hockey team, according to Gerard Brenzel, who is acting as temporary manager until regular officers can be elected. One practice was held last Sunday and the team was to play a game in the Fox River Valley loop on Tuesday afternoon but owing to the short notice and the fact that the team here was not sure a rink could be procured, the game was postponed. When the next game will be played is not yet definitely known. The men trying out for the team this year are Otto Runte, Carl Runte, Edward Keefe, Rud Sager, Arnon Rith, Henry Esler, Russell Brenzel, John Phillips, George Phillips and Gerard Brenzel. Practically all of the men are veterans from last year and prospects for a real team in Kaukauna this year are good. Practice will be held about three nights a week after Christmas on the Park school rink.

EXPECT MORE STUDENTS
IN RURAL NORMAL SCHOOL

Kaukauna—According to W. J. Hageman, principal of the Outagamie Rural Normal school, a large number of young people have inquired about entering the school after the Christmas vacation. Applicants have been advised that the school receives new pupils only at the beginning of each quarter. The next new quarter will begin on January 26. It is expected that at least 10 new students will start school at that time.

SODA GRILLS BOWL
WAUPACA CITY TEAM

Special to Post-Crescent
New London—Soda Grills, local bowling quartet, will travel to Waupaca Wednesday night, where it will meet the Waupaca city team. The Waupaca organization came here Sunday afternoon, and was defeated by the Soda Grills by total pins on the Garot alleys, so the two teams will have it out Wednesday night.
The Soda Grills have again entered the lists, as in previous years, for the 21st annual state bowling tournament, which will be put on this year in Milwaukee by Wisconsin Bowling association. The Soda Grills, which made a good showing in a recent five men games, doubles and singles Jan. 21 and 22.

LIONS PROGRAM
NETS \$150 FOR
GIFTS TO NEEDY

Thirty Baskets Will Be Distributed by Group of Civic Clubs.

Special to Post-Crescent
New London—One hundred fifty dollars was cleared by the Lions club in its charity program presented in Grand theatre Friday night. It was one of the greatest successes ever presented on this line by any local organization.

A goodly share of the proceeds of this entertainment will go towards outfitting needy school children with clothes, which will be distributed by the school nurse, Miss Loretta Rice, as she sees fit. The balance will go toward defraying the club's expense in sending out Thanksgiving and Christmas baskets. The Lions and Rotary clubs and Civic Improvement league have landed together in the making up and distribution of these baskets. The expense of buying all the goodies necessary for a first class dinner for a family of five or six, and the distribution is borne by the two civic clubs, while the ladies of the Civic Improvement league attended to the packing. These baskets are valued at about \$3 each, and again being sent out Wednesday afternoon and evening to the city's needy. They contain a good Christmas dinner. About 30 are being distributed.

TWO PROGRAMS
AT HORTONVILLE

Baptist and Lutheran Churches Will Present Annual Exercises.

Hortonville—The Christmas program of the Baptist church will be given at 7:30 Wednesday evening. The feature of the program will be a pageant, "The Christmas Message of Peace and Goodwill." The principal characters are: Ona Poole, Liberty; Bessie McNutt, The Voice of the Star; Bernice Mills, The Red Spirit; Ella Prentice, Blue Spirit; Margaret Haughton, The White Spirit. There are also about 15 minor characters. Besides the pageant, there will be songs and recitations; after which the gifts off the Christmas tree will be distributed.

There will be a Christmas program at the Lutheran church Christmas eve at 7 o'clock. The program will be mostly English with songs and recitations by the children of the school, assisted by the choir and quartet.
Christmas day there will be German services at 9:30 and at 10:45 there will be English services. Saturday Dec. 26, there will be German services at 10 o'clock. If it can be arranged the Rev. G. E. Boettcher will exchange pulpits with the Rev. Ad. Spiering of New London for that day.

Public schools closed Wednesday. The faculty of the high school and the grade teachers will leave Wednesday evening to spend the holidays at their homes.
Roman Steffen of Marquette university, Milwaukee, is spending the holidays with his sister, Mrs. D. A. Mathewson.

The Misses Margarita Meyne of West Allis, and Gertrude Meyne of the state university, are spending the holidays with their mother, Mrs. J. Meyne.

GIVE CONCERT

"Tidings of Great Joy" Is Presented at Church at Waupaca.

Special to Post-Crescent
Waupaca—On Sunday evening the choir of the Methodist church, gave a sacred concert entitled "Tidings of Great Joy" by B. L. Ashford. The church was well filled, inspiring the chorus of 20 voices to beautiful work.

The soloists were Mrs. C. K. Evenson, Miss Helen Hill, Miss Dorothy Richardson, Kenneth Emmons and Dr. H. L. Lewis, and there was a quartet composed of Misses Marion and Frances Hill, C. H. Solie and Sam Kratz. Many beautiful numbers were given, including solos, duets, quartets, violin obligatos and choruses. Miss Laura Shoemaker acted as organist, Kenneth Emmons, violinist, and Mrs. W. J. Nelson, director.

After showing no signs of activity for more than six months, the Ku Klux Klan Saturday night burned two crosses simultaneously. An 8-foot cross appeared in the courtyard square about 8 o'clock, burning un-molested for a half hour. At the same time a huge emblem of that organization erected on the top of the river just off Main-st also was burned for a like time. No one seems to know how they were conveyed to those positions or who put them there.

SIX CHURCHES GIVE PROGRAMS IN CLINTONVILLE

Holiday Season Will Be Replete with Religious Festivities.

Clintonville.—The Methodist church has a Christmas program Tuesday evening commencing at 7:30. Recitations, dialogues, songs and a play entitled, "The Night Before Christmas" were given under the direction of the Rev. Alfred Hoard.

A Christmas pageant entitled "The Prophetic Child" by the Rev. Langley Sears, will be staged by members of the Congregational church at 8 o'clock Thursday evening, Dec. 24, with the pastor, the Rev. S. G. Rueger, in charge. Twenty-five characters will participate in the pageant. The Rev. C. P. Stulenov, pastor of the Christian church, will hold a German service with holy communion at 10 o'clock Friday and an English service at 7:30 in the evening.

Salem Evangelical church will have a Christmas program given by its Sunday school class at 7:30 Thursday evening. Services on Christmas day will be at 10 o'clock in the morning with preaching by the pastor, the Rev. H. G. Koen.

Commencing at 7 o'clock Thursday Christmas eve, there will be a Christmas tree loaded with gifts for the children at Martin Luther church. The program consists of Christmas carols, recitations and singing, with 45 children participating. Santa Claus will arrive with 400 gift bags on that evening. On Christmas day there will be an English service at 8:45 and one in German at 10:15 in the morning.

Saturday, second Christmas day, a German service will be held at 10:15. The pastor, the Rev. H. G. Koen, will preach at these services.

At Bethany church, of which the Rev. J. G. Mohr is pastor, there will be morning services on Christmas day at 10:30. The choir will sing several appropriate selections. The children's Christmas program will be held at 7:30 Sunday evening, Dec. 27. There will be a number of songs and recitations by the children. The choir will also participate in carrying out the program entitled "The Great Confession." A unique part of the program will be when the children, in true Christmas spirit, will place their gifts under the Christmas tree for orphans of the Leda Children's Home, Chicago.

Thursday night, Dec. 21 at 12 o'clock sharp, folks of St. Rose Catholic church will ring for the opening Christmas mass and celebration. Children of the seventh and eighth grades will sing "Silent Night" at the crib, accompanied by two violins. The second and third masses will be offered at 8:30 and 10:30, respectively Christmas morning. Holy communion will be given at the Midnight and 8:30 services. The choir will give special selections at these services with Mrs. J. W. Devine at the organ. The Rev. Father Gunningham will deliver a sermon at each mass. A Christmas collection will be taken up for the pastor.

Henry Flanagan, Bear Creek, was in the city Monday on business.

Leo Polkin and Emil Tanti attended the Clintonville-New London basketball game at the latter place Monday evening.

The Four Wheel Drive Auto Co. commenced taking inventory Monday morning and has therefore situated some of its machinery and given the men a vacation until Jan. 1, 1924.

Clintonville high school basketball team defeated the New London team by a score of 12 to 5. The teams both showed good teamwork and defense. The score at the end of the first half was 6 to 5 in favor of Clintonville. Stevies and Schmitt starred for this city.

Dispensing with a two wheeled delivery cart and substituting for it a motor driven vehicle, the parcel post carrier these days gives ample proof of present day prosperity. There will be no mail delivery on Christmas day and Uncle Sam's servants will share in the holiday celebration.

After Others Fail Don't Give Up!

**ALAN HALE'S FIRST
PICTURE IS SUCCESS**

Take a cast headed by Shirley
Clason and including such excellent
players as Pierce, Dendron, J. Far-

rel MacDonald, Alan Sears, Rose Tapley, Maine George, Eugenia Gilbert and Eric Mayne, and you have possibilities.

Add a director with the sure touch and keen insight of Alan Hale to a plot that is logical and sincere, and you have a picture. This is Hale's first picture, and it is a success.

That is what William Fox has done in "The Scarlet Honeycomb" at the New Bijou today and Thursday. It is a good film, all the way through. From the opening scenes in the Argentine, through several delightful sequences in New York, back to the Argentine again, it has been handled without a single false touch. The scenes dealing with the ordinary daily life of an average American family are particularly well done.

**BROTHERLY LOVE THEME
OF JACKIE COOGAN'S
"OLD CLOTHES"**

The love of an old son of Abraham for a young son of Erin and the love of both of them for a lovely girl is the essence of the story of "Old Clothes," Jackie Coogan's new Metro-Goldwyn production, which is

showing at the Elite Theatre for the last time today. With each succeeding release, Jackie Coogan unfolds a new side of his genius, and unless you see the youthful star in "Old Clothes" you have never seen the real Jackie Coogan. Jackie is ably assisted in this timely and human story by Max Davidson, Lillian Elliott, Alan Forrest, James Mason, and Willard Mack wrote the story especially for Jackie.

**SWEET ROMANCE OF RUSTIC
AND CITY GIRL IN FILM**

Robert Z. Leonard has become famous for directing pictures that appeal primarily to the heart and the eye. Never does he burden his audience with any well-meant lesson or "moral," as he believes that entertainment and entertainment should never become "preachy."

So in his production of "Bright Lights," which is the attraction at the Elite theatre Thursday and Friday, there is no moral, unless it is to "be yourself."

Charles Ray and Pauline Starke are co-starred in the picture. Ray plays the part of the rube who unsuccessfully tries to imitate the city slicker in order to impress his chorus girl sweetheart.

Lillian Tashman, Lawford Davidson, Ned Sparks, and Eugenia Fescever will be seen in the supporting cast of the picture. The scenario was written by Jesse Burns and Lew Lipton from a short story by Richard Connell.

**EXPENSIVE VAUDEVILLE BILL
COMES TO APPLETON**

If cost means anything, the vaudeville program at Fischer's Appleton Theatre Christmas day and the Saturday and Sunday following, should be the banner one of the year, says Mrs. Lutz. For the bill is by far the most expensive that has ever played the theatre, in fact fifty per cent greater than the average. Leading the bill is a ten piece jazz orchestra. Miss Adler is one of the best known singers of popular songs in vaudeville and is accompanied in several numbers by the orchestra. They played two weeks at the New-

own Theatre at Kansas City and two weeks at the Sun theatre in Omaha, Nebraska, being originally booked for a week at each place and being held over a week because of the ovations that greeted their appearances. Their program will in part be as follows: "Alone at Last" by the Syncopators, "Knee Deep in Daisies" by the Syncopators, "I wonder where my baby is tonight," sung by Miss Adler accompanied by the orchestra and other equally popular songs. Then there will be a pleasing musical comedy by Lamore and Russell. Ray and Perri will present several imitations as well as treat with violin and guitar music and a comedy skit by Seville and Phillips will be enjoyed by everyone with half a notion to laugh. The feature photograph will be one of the greatest comedy farces of the season, "Madam Behave" starring Julian Eltinge, the worlds most famous female impersonator, and Ann Pennington, of unimpaired kees fame. It is produced by the man who gave us "Charley's Aunt" last spring and is reputed to be even a greater hit.

Good Fellows Club

Enclosed find \$1.00 as my enrollment fee in Appleton's Good Fellows' Club. It is my understanding that this money is to be given to Appleton Welfare council and is to provide for Appleton's unfortunate families.

Clip this coupon and send it with your contribution to Good Fellows Club Editor of the Appleton Post-Crescent. Let your conscience determine your contribution.

The Good Fellows club organized a collection of money for Appleton Welfare council so it can carry on its great work for relief of suffering among the poor, will be closed at 3 o'clock Thursday afternoon and the final publication of names of Good Fellows will be on Saturday, Dec. 26 at the close of business today the Good Fellows fund had barely passed \$1,000, just half of the amount of money required to finance the four cooperating charities.

Hardly forty names were added to the Good Fellows list on Wednesday out of 2,500 that should have been sent in.

It is not impossible to raise the \$1,500 still required but there will have to be a great awakening to do it. If your name is not on the list printed below send in the coupon with your membership fee at once. Make your check payable to the Good Fellows club.

OSHKOSH MEN BUY OLYMPIA BILLIARD HALL

Retson and Katsoulas Lease Building and Dispose of Equipment.

Ownership of the pool hall and bowling alleys of Retson & Katsoulas 107-109 W. College-ave, passed to two Oshkosh men, Sam Kinsley and Oral Mace, through a deal completed Tuesday. The new proprietors have arrived here and are in charge of the business.

Mr. Kinsley and Mr. Mace have taken a 15-year lease on the Olympia-bldg, which contains the business and a number of offices located in the second story. The structure is owned by Nicholas Retson and George Katsoulas. The new owners bought all the personal property consisting of a large number of pool and billiard tables, bowling alleys, a soda fountain and other store fixtures. Some rearranging is in progress and the bowling alleys will be overhauled thoroughly after the season is over. This transaction will have no effect for the present on the shoe shining parlor of Retson & Jimos, which occupies the west front half of the building. The proprietors will be allowed to continue undisturbed in that location for a year, under the agreement.

Mr. Kinsley has had about 15 years' experience in the management of establishments of this kind. He conducted a pool hall at Oshkosh at one time. He worked in Appleton a number of years ago in a pool hall conducted by Eugene Carr. Mr. Mace resigned as an agent of Aetna Life Insurance Co. to take up this work. Both men intend to move to Appleton to reside.

No plans for the future have been made by Mr. Retson and Mr. Katsoulas. They have been in business here for a number of years and decided to retire. Their present intention is to remain in Appleton.

SENTENCE CUT
Paris—The sentence of eight years solitary confinement imposed on Countess de Kermion for the murder of her husband has been reduced to five years. The reduction also removes the solitary confinement clause of the sentence.

CHICAGO CHEESE MARKET
Chicago—The cheese market Wednesday continued steady to firm with dealers holding both fresh and cured cheese for full listings. Quiet trading was reported with buyers purchasing in small lots.

150 AT PARTY FOR EMPLOYEES

Valley Iron Works Entertain at Dinner and Program for Its Workers

A turkey dinner, a number of short talks, a minstrel show and a dance were enjoyed by about 150 persons at the party given by the Valley Iron Works for its employees Tuesday evening at the Elks club. Talks were made by William Wing, Neenah; William Ryan, Leslie Sensesbrenner, Fred Kranhold, R. S. Powell, Dennis McMahon of Menasha, and Harry Bennett of New York City, manager of the eastern office of the Valley Iron Works.

The minstrel show, which was in charge of Robert DeLand, was staged by employees of the company. A dance followed the minstrel show. Music was furnished by Stewart Dawson's orchestra.

MT. OLIVE CHOIRS TO SING YULE CANTATA

MISS ORNSTEIN SINGS AT VESPER

Two Former Appleton Artists in Musical Program at Methodist Church.

A program of unusual interest to Appleton people will be given at 4:30 Sunday afternoon at the First Methodist Episcopal church in connection with the fourth of the series of vesper services, when a former Appleton girl, Miss Helen Ornstein, contralto, will appear in program with Frank Tabor. Miss Ornstein is the daughter of Mr. and Mrs. J. Ornstein and has been studying in Chicago where she recently won a scholarship in the opera class conducted by the Chicago Opera Co.

Mr. Tabor was organ instructor at Lawrence conservatory for four years before going to Lynchburg, Va. He will give one group of numbers and Miss Ornstein will present two groups. The Methodist quartet will sing and Dr. J. A. Holmes will give an address.

43 AT HOMECOMING MEETINGS OF HI-Y CLUB

Thirty-two members of the Hi-Y club and eleven alumni members attended the 1925 alumni meeting of the club Tuesday evening at the Y. M. C. A. The meeting opened with a club year and a program of entertainment took place until 8 o'clock when the session was adjourned. Frank Hanniman and Edward Fleissman, officers of the club, spoke for the present members and Harold Zuehlke and Carl Engler responded for the alumni. Glenn Opperman acted as toastmaster at the banquet.

SALE OF CHRISTMAS STAMPS REACHES \$1,384

All those who still have Christmas seals they do not wish to keep have been asked by Mrs. C. A. Gochmeyer, chairman of the local drive, to return them to her as soon as possible. A total of \$1,384.35 has been realized up to the present time. Wednesday was the last day that the Christmas sale booth at the postoffice was to be open. If there are any persons in Appleton who wish more of the stamps, they may obtain them by calling Mrs. Gochmeyer.

GIRLS TO SING CAROLS FOR HOSPITAL PATIENTS

The Young people of the Congregational church will sing Christmas carols at St. Elizabeth hospital Thursday evening. They are to meet at 7 o'clock promptly Thursday night and will go directly to the hospital.

Music that makes you kick back the rugs

CONTAGIOUS music—tantalizing—irresistible! Magic melody that fairly drags you out on the floor—rhythm that will not be denied—that leaves you happy, breathless and unsatisfied when the last chords die away. . . .

Vincent Lopez may be miles from your living-room, but in spirit he sits at your piano. When you hear "Raggedy Ann" or "Say It With a Ukulele" on the Ampico you hear Lopez play as he wants you to hear him—at his best!

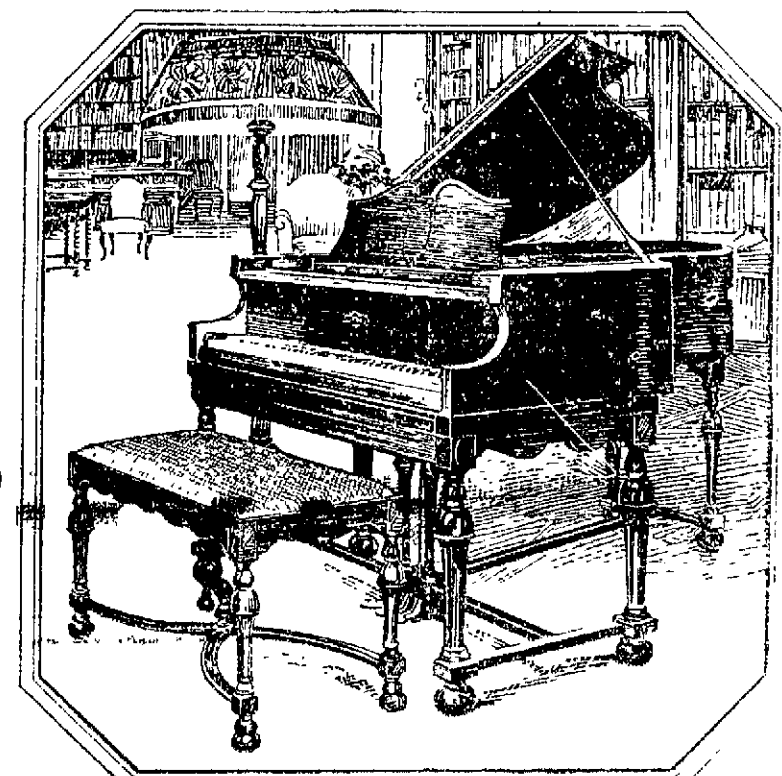

Ampico recordings are by no means limited to dance music. The whole wonder world of music is yours to choose from.

Old songs, haunting melodies, and classic masterpieces—all these the Ampico offers you, played by masters of the piano as none but masters can play.

You can have the Ampico in the Chickering—the piano that for more than a hundred years has been the exponent of the highest attainments in the art of piano making.

Comfortable monthly payments with a small cash deposit make it easy for you to own a Chickering immediately. Your old piano accepted in exchange.

BURGLARS TAKE ANOTHER ICEBOAT SAFE FROM HOME OF VINLAND MAN

Home Is Ransacked While Members of Family Attend Grange Meeting.

Neenah—A small safe, about two feet in height, with its contents including a \$1,000 bond, approximately \$1,500 in certificates and a note for \$5,000 was stolen from the home of Henry Miller, a few miles west of here in town of Vinland.

Besides the safe, an \$80 radio set, the family silver, a gold watch, and other articles were taken by burglars who gained entrance to the home through a basement window while Mr. Miller and family were attending a meeting of the Adenville Grange. Authorities have been notified and are working on the case.

SAVED FROM LENAPE FIRE

Menasha—A Bismarck, who shipped more than a dozen carload of live carp to the eastern market during the early months of last summer, shipped an additional carload last week and has another carload which probably will be sent out Thursday. The carp was caught before the weather turned cold and were kept in Little Lake Park, near the Menasha lock. Later they were transferred above the lock. The carp are loaded on cars direct from the government canal near the plant of John Strange Paper company.

FOUR AUTOMOBILES ARE DAMAGED IN COLLISIONS

Menasha—While attempting to pass Jack Dombroski Wednesday morning at the corner of Racine and Third-sts the car owned and driven by Charles Gene Jr. of the town of Menasha, collided with Dombroski's car, throwing it against the curb and damaging a fender. The impact caused Gene's car to make a complete circle. No one was injured.

Cars driven by Lester Riley of Menasha and Carl Christensen of Winchester collided Tuesday at the corner of Tayco and Chute-sts. Both cars were damaged.

UKULELE CLUB MEETING

Menasha—Members of the Ukulele club held their weekly practice Tuesday evening in the public library building under the direction of Mrs. R. C. Miller. That remarkable progress is being made by them is shown by the fact that a large portion has mastered five selections during the short period the club has been in existence. Further meetings will be discontinued until Tuesday, Jan. 5.

Temporary Front

Menasha—A temporary front was erected Tuesday in front of Kroch's lunch which will be used until the floor is lowered to the sidewalk and a permanent new front put in. The rear wall between the main building and new addition which is to be used as a kitchen was removed Tuesday. The exterior work on the new kitchen is completed and the interior work is well under way. The restaurant is to be provided with new equipment.

Mrs. Arthur Stearns and her four children, of New York, were among the survivors of the burning of the steamship Lenape off the coast of Delaware. The above picture was made as they returned to New York from their hazardous experience. Below is a striking view of the blackened hull of the Lenape, grounded near the Delaware shore.

CHARITIES HELP SIXTY FAMILIES

Boy Scouts Will Distribute Baskets of Food and Clothing to Poor.

Menasha—Several tables in the Elks club are loaded with clothing and toys which the central committee of the charitable organizations will assemble Wednesday evening for distribution among more than 60 needy families in the city. Besides clothing and toys the baskets will contain provisions for Christmas dinner. Boy scouts with three motor-trucks will distribute the baskets Thursday morning.

At a meeting of the committee Tuesday evening, Miss Edna Robertson, secretary, gave a detailed report of progress. While the cash gifts fell somewhat short of expectations the difference was made up by donations of clothing, provisions and toys. All gifts must be in by Wednesday night to be sent out Thursday morning.

PROGRAMS IN SCHOOLS AS VACATION STARTS

Menasha—Public schools closed Wednesday afternoon for the holiday vacation. Distribution of gifts from heavily laden Christmas trees was a pleasant feature of the closing exercises. Several of the grades, particularly those in the high school, building held joint programs and distributed gifts from joint Christmas trees. Several teacher returned home Wednesday evening, while the majority will leave Thursday.

CHILDREN SELL \$57 WORTH OF T. B. SEALS

Menasha—The children of the public schools disposed of more than \$57 worth Christmas seals. The two children selling the greatest number were Park Willie of the Fourth grade and Isabel Schultz of the Fifth grade. Each was awarded a prize of \$1.

ENGAGED

Izetta Jewell Brown, former actress and widow of Representative W. S. Brown, of West Virginia, is reported engaged to Hugh Miller, dean of the school of engineering, Washington University. Mrs. Brown, who secured the nomination of John W. Davis for president of the Democratic convention last year, will not comment on the report.

NEENAH SOCIETY

Neenah—Rotary club will hold its regular weekly luncheon Thursday noon at Valley Inn. Instead of a speaker, a Christmas program will be given.

Cub staff of Neenah high school will entertain pupils of the high school and alumni members at a dancing party Wednesday evening in Kimberly school gymnasium. Music will be furnished by the Jackson orchestra.

CASE OF CHICKENPOX

Neenah—A case of chicken pox is reported at Lakeside hotel where one of the boarders is ill. The case was first reported as smallpox but further examination discloses the fact that it was not so serious.

MAXIMILIAN'S DESK USED BY GOVERNOR

Baton Rouge, La.—(P)—The desk at which the governor of Louisiana sits daily is a handsome piece of furniture made of Cretaceous walnut, curved and carved with match less skill, and once served Maximilian while he occupied the throne as Emperor of Mexico.

Legends say that, after the execution of Maximilian, the desk and two other pieces of furniture from the ill-fated emperor's office were brought to Louisiana and placed in the executive offices.

In the reception room is a mirror, approximately 15 feet high and three feet wide, framed in the finest of walnut, that once was a part of the furnishing of the St. Louis hotel at New Orleans, which was famous in the early history of the city and state.

BIRTH OF ALIENS IS BARRED IN GIBRALTAR

Gibraltar—(P)—No baby of alien parentage may be born on the rock of Gibraltar, a state of one and seven-eighths square miles that has no public debt, no land capable of cultivation, no railway and no trams. When a birth is to take place in an alien family, the expectant mother must move beyond the British lines.

The last census showed "The Rock" to be inhabited by 8,471 men and 8,689 women. About one-fifth of the population is the military.

Do You Know What To Read?

There are books on every subject that are authoritative. The great difficulty is not the lack of specialized knowledge in book form but to know which books to select.

Many long hours in libraries, or the useless reading of a great number of books, can be saved if you have at hand a reference list of authoritative books.

The Washington Bureau of this paper offers such a list free. It was compiled by the American Library Association, and covers all important fields of human thought and endeavor. The aim has been to include books which would of practical, informative value, or which would stimulate new ways and channels of thinking.

Whatever you are interested in, this compilation will be useful to you. Enclose two cents in stamps for return postage.

LETTER FROM SALLY ATHERTON TO LESLIE PRESCOTT CONTINUED

Leslie, when Dick told you this terrible thought he stopped, but his hand over his mouth, and turned pale. I know he felt that he was betraying his wife.

"Sally, she thought he was killing me," he said as if in extenuation. "You know, however, that women do go insane after childbirth. Tell me what he said to you, Sally," he asked.

"Yes, after all the material was given to him, perhaps he could," said Dick. "But it takes men to make material, or even to find it. The works of a clock have all sorts of minerals in them that must be mined and worked out before a watchmaker or a clockmaker can use them at all. Copper, steel, brass and lead all have a place in a clock. Even gold and silver in some clocks—and jewels."

"The porcelain or enamel in the dial is made of fine baked clay that takes time and preparation and all sorts of things before it becomes a clock face. Then there is the glass, and the wood in the case, the oils to make it go, and so forth. The best clock oil is made from black fish which are very hard to find and hard to catch. More men can't make a clock than you can. Ships, trains, mines, furnaces, and a great deal of skill with it all. Clocks are wonderful things."

"We have had a fine time on our adventure," said Nancy. "and we have learned a lot, haven't we, Nick. I'm sure we are ever and ever so much obliged."

"You're welcome," said Dick. "There are still more clocks in the world that you have not seen, but time was too short to show you everything. I know of one clock in a church that has such beautiful chimes— a man at the organ inside the church can sit down and play any time he wishes on them, on the chimes. And because those chimes are so sweet and so famous, jewelers copy them in smaller clocks, that is, in house clocks. Many people who have chime clocks in their houses do not know that they are hearing, every hour and quarter hour, and half hour, the very same chimes that ring out in Trinity Tower at the same minute."

"That is very interesting," said Nick. "My, you know a lot, Dick."

"And I know of another clock, not so large," said Dick. "that was made in Spain about the time Columbus discovered America. It is made of silver and looks like a music box for underneath the clock works is a zither. On the hour it plays one tune and on the half hour another. It only has two tunes, but they are quite long."

"But there, my dears, the sun is coming up and I promised the Fairy Queen that I would have you back in bed long before morning. You will be very tired when your mother comes in to tuck you."

"Oh, no!" said Nick. "We never get tired in the magic shoes." "Well, good-night, then," said the little fairy. "Here we are right in your room where I found you. Try to remember some of the things I have told you and we'll go on another adventure some day."

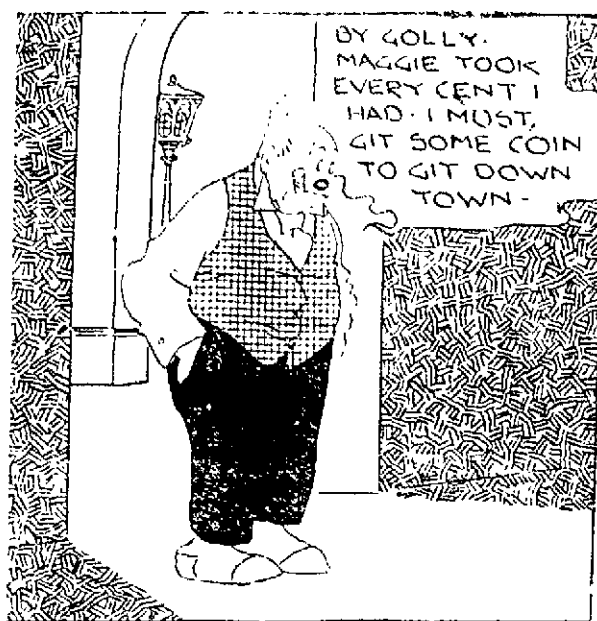

The fairy took the magic shoes and gathered up his keys and oil-can and tools and jumped to the hearth. He neeped up the chimney and the next instant he was gone!

In a slow and uninteresting battle except for the final few minutes of play, Appleton's American Legion basketball team won its first game in the Eastern Wisconsin Home Talent cage loop Tuesday evening at Army G with the Moose lodge team of Fond du Lac as a 17-15 victim. Neither team played the kind of ball they were capable of and at times the game was exceedingly loosely played. However, the game was close throughout, with neither team leading the other by more than three points. Both squads missed easy shots and threw the ball around a lot, with Fondy looking the best on foot work. Referee Paetz slowed up the game considerably by his unwillingness to call fouls and at times the teams wrangled about the floor fighting each other rather than playing the game. With a few more fouls called the game would have been much better on both sides and a more friendly spirit would have been aroused. The win with Menasha's loss at Kimberly, put Appleton only one game behind the second place teams with Menasha at third in the game at Menasha tonight.

Scheurle was the star of the evening, if any one player's work was outstanding. Mitt caged four baskets and a free try and played a hard game, but at times his work also was ragged. Hornbeck caged three field goals for the winners and Schwager added another. McKinley, Watson, Brown and Dolan put up good battles for Fondy. Brown, Watson and Mac caging two neat baskets apiece and Dolan showing up well at guard. Watson played the most floor game of the evening, moving his tremendous bulk with more than ordinary agility. Appleton dropped the first two baskets of the tilt and led 6-1 at the quarter but Fondy immediately took a lead and were never headed until the final three minutes of play, though the game was close. Fondy led 10-8 at the half and 11-10 at the third quarter. Another Fondy basket started the final quarter and here Appleton "got hot" and added two baskets from midfloor and free throw for a 15-13 score, sinking a shot try a minute later for 17-13 with only 50 seconds to go. McKinley added a nice long try for Fondy carrying the ball deep into Appleton territory. But the whistle ended the game as long tries, rained at the Sonn, failed to sink through the net.

RUEL HAD JUST ONE PASSED BALL IN 1925

According to the official American League statistics, "Muddy" Ruel of Washington only had one passed ball last season. He was in 128 games, ranking next to Cochran of the Athletics as the hardest-tolling backstop in the circuit. Hargrave, Browas and Pichinch of the Red Sox had the most passed balls, nine.

CHICAGO HIGH PRO GRIDMEN SENTENCED

Chicago—(AP)—The athletic futures of four English and High school football players who were in a Milwaukee pro team (AP) are in a Chicago court two weeks ago, was in the hands of the board of control of the Chicago public schools. The decision of the board will be final and one western conference will abide by it. John W. Griffiths, Big Ten athletic commissioner, has intimated. It was indicated that youths, who maintained that they received no money for playing, might be suspended from athletic competition for some months as a penalty and eventually restored to amateur standing, enabling them to enter college competition.

FONDY "TAKES" GAME WITH APPLETON TEAM

Fond du Lac — The game between Fond du Lac and Appleton scheduled for here Saturday evening was forfeited to the local cagers by a 2 to 0 score when the visiting team failed to put in an appearance on time. The game was listed to start at 8 o'clock but the Appletonians did not get on the floor until an hour later when the contest had already been awarded to Fond du Lac.

APPLETON HIGH TO HAVE CHANGED GRID SCHEDULE

End of 2-Year Contracts with LaCrosse, Marinette to Ease up on Hard Card of 1925.

With two-year home and home agreements with two of its hardest foes, Marinette and La Crosse, terminated with 1925, Appleton high school athletic authorities are endeavoring to frame a more advantageous schedule for 1926 than they were forced to take in last fall, and still meet their old conference rivals. With a green and untried group of players the Orange went through the hardest season ever attempted at the local school and one which no other school would have survived. The Marquette played every Saturday of the season from the first week in October to Thanksgiving day, playing eight straight games in seven successive Saturdays and the following Thursday, Thanksgiving day, after three days of rest. Beside, every game was an exceptionally strong team. Appleton was the only team in the valley conference to play six other conference teams, missing only one, and the weakest at that. Other conference teams were content with five conference battles at the most. Appleton met La Crosse, Fond du Lac, West Green Bay, East Green Bay, Kaukauna, Oshkosh and Sheboygan on successive Saturdays and Marinette the next Thursday. It is certain that La Crosse will be dropped next year, but Marinette, an ancient rival probably will be kept. Last year because of the two-year agreement Appleton was forced to take on Marinette on Thanksgiving day. The Orange has always had to do this for years, but an attempt will be made next year to get the Marinette game moved up to about the middle of the schedule where weather and other conditions will be more favorable. Marinette and East and West Green Bay, the only other conference teams beside Appleton to perform on the Thanksgiving day this fall, were able to rest the Saturday before Turkey day. Among the teams which probably will be added to the Orange card is Shawano. The Outismen wanted an early game this fall but McAuliffe was unwilling to take chance with his green material and refused the tilt. However, at Shawano still desires a game an early battle probably will be arranged. Other smaller schools are being considered for battles on Saturdays between two hard conference games and two rivals of Neenah may be offered a date.

KIMBERLY CAGE SQUAD TROUNCES MENASHA, 41-12

Team of Subs Relieves Regulars of Loop Leaders and Continues to Hand Pails Drubbing.

Kimberly—Pulling a Knute Rockne and sending in a full team of "shock troops" to start the game, Kimberly Clark Athletics basketball team, undefeated leaders of the Eastern Wisconsin Home Talent League, piled up the largest score in the league so far this season Tuesday evening at Kimberly clubhouse when they sent the Menasha Athletics association team home on the short end of a 41-12 score. The win increased the easy lead which the K-C crew already has on the top rung of the ladder.

Menasha was outclassed from start to finish and scored six points on free throws. The Kimberly crew used eleven men in the battle and the "subs" played longer than the five regulars, who have been making a name for the village squad this year. Shots from all corners of the floor, great teamwork and a close defense buried the Pail City crew and routed them completely from the starting whistle. The score at the half was 27-3 for Kimberly. Courchane, a substitute forward, lead the Cookmen in shooting, caging five ringers, four of which came inside of eight minutes of play. Kohl and Williams added four baskets apiece and Pete added two free throws and Williams one.

Ryan was the out-standing star for Menasha with two baskets and three free tries for seven of his teams twelve points. The Pails were handicapped by the absence of Remmelt, all-tournament forward at the district high school meet last year, who was unable to play. Remmelt has caged seven baskets and a number of free tries in each game he has played in the league this year and is one of the best forwards on the loop courts.

Lineups were:
Kimberly—Kohl, Baetleher, Klundt, Courchane and Frassette, forwards; Williams and Clark, centers; Verbeeten, Cook, Natrop and Lang, guards.

Menasha — Ryan, Luedike and Primoski, forwards; Grove and Raleigh, centers; Hobeisel and Kelley, guards.

In the preliminary game the Kimberly Independents kept their style clean, winning their third straight victory of the year without a loss, with the Kaukauna 25's as the victims of a 21-10 score. The game was an easy win for the Kimberly youths who were not forced to extend themselves. Hoffkins and Pogan got three baskets apiece and Verbeeten and Willis two for Kimberly and Wingo shot two for Kaukauna's hopes. Lineups were:

Kimberly—Willis and Pogan, forwards; Hoffkins, center; Verbeeten and Courchane, guards.
Kaukauna—Wingo and Banzel, forwards; Enger-on, center; Smith, Frank and Latat, guards.

BADGER'S STELLAR DEFENSE

BARNUM AND MERTEL, GUARDS

Two veterans of the 1924-25 University of Wisconsin cage quintet will stand between their basket and the speedy forwards of the enemy this year when the Marquette go forth to battle with Big Ten foes. Rollie Barnum, three letter man in his soph year, last year, will hold down one guard post and Bob Merkel, 1924-25 forward will care for the other. Barnum alternated at center and guard last year but was unable to get out early this year due to an injury received in a great season on the grid. Merkel, though slightly built for a defense man, has shown so much fight and speed at his new job that he has the position cinched. Both men are also good shots.

NEW PIN LEAGUE FORMED IN CITY

Six-team Loop Composed of Two Squads from Eagle Elk, Olympic Alleys Starts Jan. 3.

Appleton will have a city bowling league during the 1926 pin season as the result of a meeting held at the Elk club Monday evening. Representatives of three of the local bowling alleys were present and it was decided to form a six-club loop to start functioning in January. While no definite name was chosen for the new circuit it probably will be called the Appleton City Bowling League.

It was decided that two teams from the Eagle alleys, two from the Olympic alleys and two from the Elk alleys would play in the loop, but now teams would perform for their alleys in the race. Andrew Jimes acted for the Olympic alleys, H. W. Maffett for the Elks, and Kurt Koletzke for the Eagles. Each squad will meet the other twice during the season, once at the home alley and once on the enemy drives. The squads will roll on Sundays, starting Jan. 3 and continuing until about the first week in April. A number of the city's best pin busters will be included in the rival tneups and some close and exciting matches are on the cards. Organizers of the league now are working on a schedule of games for the loop and teams will be picked to represent each alley in the next week.

TWELVE COUPLES IN ARCADE ALLEY MIXED PIN MEET

Weissgerbers Pile up Maples for 1084 Mark to Cop First Prize; Next Two Pair Tied.

Piling up a total of 1084 pins in three games rolled Sunday evening on the Arcade alleys, Mr. and Mrs. A. Weissgerber topped first place in the opening "couples" tournament of the alleys for the 1925-26 bowling season. Twelve couples helped to make the lounge a big success. The tournaments are open to any "mixed" bowling team of the city and will be held on the Arcade alleys every two weeks through January. February and March. All meets will be rolled on Sunday evenings. The next tournament will take place Sunday evening, Jan. 3, 1926.

The combinations of Jense and Strutz and Ginzler and Jimes, each rolled over 1000 pins for a tie for second prize in the couple affair. Mr. and Mrs. Weissgerber garnered 56 as first prize and the second-place pins split \$7.20 or \$3.60 per couple for their work. Scores of the bowlers were:

Mr. and Mrs. Weissgerber — 945, 382, 357, 1034; Jense and Strutz — 349, 347, 328, 1024; Ganzen and Jimes — 316, 339, 368, 1024; Bernhardt and Hiltgenberg — 351, 295, 552, 1011; Mr. and Mrs. Feldt — 294, 347, 345, 987; E. Dunn and Peck — 316, 322, 348, 984; A. Dunn and Devore — 329, 308, 307, 945; Wenzloff and Hase — 230, 284, 231, 926; Houtebush and Leopold — 329, 258, 351, 938; Austin and Koeester — 311, 316, 259, 899; Jando and Christoferson — 255, 825, 284, 865; Goldbeck and Creme — 260, 271, 289, 829.

WHY DARTMOUTH RANKS SO HIGH

When Dartmouth's great eleven whipped Chicago, 33-7, it succeeded in scoring almost as many points as did the Marquette's five Big Ten opponents combined. Ohio State, Northwestern, Purdue, Illinois and Wisconsin put together could only total 35. All of which speaks well for the Big Green's offensive ability.

MUD HINDERS HUSKIES IN FINAL PRACTICES

Seattle—(AP)—After attempting for four or five days to make mud horses out of the Huskies, Coach Bazzhaw, coach of the University of Washington football team, is having for his last practice when the Pacific coast champions meet the University of Alabama at Pasadena on New Year's day.

New York — Phil McGraw, Detroit, won a decision over Luis Vicentini of Chile, 12 rounds.

Blue Athletic Heads Want Ripon To Play In This City In 1926

Attempts to Bring Reds Here Blocked by \$2,500 Demand; Marquette May Play Lawrence.

Possibilities of transferring the annual Ripon-Lawrence football game from Ripon to Appleton this year slightly blasted this week when it was learned that the Red school would not come to Appleton in 1926 unless it received a guarantee of at least \$2,500. In all probability Lawrence authorities will be unable to see their way to meet this demand and the Blues will travel to Ripon. The object in bringing the Redmen to Appleton for the second straight season was to break up the Beloit-Ripon trouble on the Blue card. Beloit and Ripon are both met away from home one year and at Appleton the next and Blue authorities desired to have one of the two big games at home and the other away each year instead of playing both here one year and both on foreign fields the next. The year Lawrence meets both of its oldest rivals away from home usually spoils the home schedule unless the Blue authorities are lucky in getting another good home attraction. The new arrangement, if made, would be the starting point in breaking up the card.

Another possibility which is creating talk on the Lawrence campus and which has been in the minds of the students since the last Home game is that of adding Marquette to the Blue grid and in place of the weak Pipers. Lawrence authorities had it in mind not to go out of town else for games since the memorable battle with Iowa State six two years ago which aided Ripon to tie the undefeated Catbirds the following week, but a home and home arrangement with Marquette would be so advantageous to both schools that it may be effected.

Blue authorities have been dickering with the Marquette bosses for some time and probabilities for a home and home arrangement during next year are improving daily. In fact many of those "in the know" believe the game already is scheduled. But Athletic Director A. C. Denny is unwilling to divulge anything in regard to the matter. Many Blue alumni live in Milwaukee and the southern part of the state so that a Lawrence-Marquette battle in the Cream city is sure of drawing a crowd as well a game here. The two schools are old state rivals in all sports and the ancient rivalry will once more be resumed beside drawing the state schools closer together with Lawrence a Little Five member. By comparative scores, or by a Little Five Lawrence team whipping Marquette, a state title can be determined more easily. Marquette has had some wonderful end teams in the last few years but many of her stars are through with school and the Blues stand a good show with the Cream City school.

NO GAMES IN VALLEY PIN LOOP THIS WEEK

Elek's Five, L. C.	5	13	.278

With the Christmas holidays keeping the bowlers busy this week, no games have been carded in the Fox River Valley Bowling league, this Wednesday evening. The two Menasha teams will hold their lead for at least another week with the Blue Moons of Kimberly, Hoppies Wieners of this city and the Electric City crew of Kaukauna, on the heels of the Tourist Inns in second place. The following week several important tilts are on the books and at least two are sure to effect the loop standings.

SHORT SPORTS

Last season was a rather uneventful one for Frankie Frisch star of the New York Giants because of severe injuries which greatly handicapped his work.

Coch Vost of Michigan still considers the late "Boss" Weeks one of the best quarterbacks of all time.

Humm, has it that Hugh Bezdek was a sever his relations as athletic director at Penn State. Things have been breaking badly for Bezdek for several years.

Coch Zuppke of Illinois says Kasell is the greatest end he ever coached. Don't forget, he turned out Carney, an All-America player, and you can appreciate the compliment.

Despite his erratic pitching of last season "Cotton" Mack hasn't lost hope in Pitcher "Lefty" Gowers. Certainly no southpaw not excepting "Rube" Waddell, ever had more stuff.

In the last two seasons Princeton has scored 70 points on Harvard, getting 31 in 1924 and 36 last fall. Rogers Hornsby of the St. Louis Cardinals, rates Jim Bottomley of his club as the best first baseman in the majors. "He can field with any of them and is the best hitter in the lot," says Hornsby.

"A tight infield means far more to a winning pitcher than a brainy catcher," says Howard Ehmke of the Boston Red Sox. "No catcher can out-smart a club without a strong inner defense."

Regular Readers Are Regular Boosters!

It's interesting to point out to people the many different ways in which the A-B-C Classified Ads can save their time and energy and money.

We tell them that in buying and selling—from automobiles to merchandise and real estate—these little catalogued ads spell satisfaction.

We tell them that in the employment field—whether it's finding help or a position—these ads spell service.

We tell them that when it comes to business service, or instruction, or financial openings—the A-B-C Ads spell opportunity.

But what we enjoy telling them most of all is just this—"Don't take our word on these things, but ask some regular reader of the A-B-C Ads!"

Then we know—and they know—that we're talking facts. And they'll know what we know—that regular readers are regular boosters of these little ads.
